## May of Mission!

During the month of May, we will be lifting up a variety of missions both local and global! There will be opportunities to give and support these missions each Sunday!

### May 2nd Mission Focus: Lutheran World Relief

**Preacher: Pastor David Wangaard (video)**

During this worship service we will be lifting up the mission of Lutheran World Relief and their work throughout the world! We will also be blessing the work of our quilters and their quilts that go to LWR! So far in 2021 they have made 120 quilts for LWR!

### May 9th Mission Focus: DL Downtown Alive!

**Preacher: Deacon Suzie Porter**

We love our town of DL and getting to share its beauty with everyone including the wonderful flowers on our streets! After worship, Roger Lee will be in the north parking lot to receive freewill donations towards the flowers for the Downtown Alive project! You will receive a geranium in return as a thank you for your gift (could be great for Mother's Day!)

### May 16th Mission Focus: India & Our Companion Synod

On the 16th, we will be lifting up our brothers and sisters in Christ in India, our sister congregation and companion synod! Find out more about our relationship with them!

### Mission: Possible

My brothers were big fans of the original TV show *Mission: Impossible* which aired 1966-1973. As the younger sister, the default of who controlled the four channels of selection, was not me. So instead of *The Brady Bunch* or *The Partridge Family*, I too watched many of these *impossible missions* of a small team of secret agents to combat injustice. Can you hear the theme song?

Missions is May's focus with the belief *Mission: Possible!* The injustices and needs in our community, country and world can seem impossible to meet or correct. Yet together, step by step, quilt by quilt, donation by donation, flower by flower, we make it possible for the love of God to be made known in tangible ways of warmth, help in disaster, hope for provision, partnership in ministry, and beauty known in creation and in one another. I gift thanks for all the ways as disciples of Christ, Trinity continues to be called to our mission to grow in faith and action, making known Christ's compassion and justice.

### WRAPPING & RIPPING ANGEL – ALETHA HEIN

Meet Aletha Hein, from Trinity Lutheran church in Detroit Lakes. Aletha is 96 years young, is legally blind, and a spirited, kind lady. Her story starts after the 31st Annual Convention in 2018 which took place at Trinity in Detroit Lakes. It seems there were a lot of white bed sheets left after the Convention so Aletha's circle took on the mission to wrap bandages for Global Health Ministries. We made bandages before circle meetings; we had the VBS and God Squad kids help. Aletha wanted to keep making bandages, in 2019 Trinity sent 863 bandages to Global Health Ministries which Aletha made most of them. Last year when COVID 19 shut everything down Aletha kept ripping and rolling bandages. From February to December she did 1,250, that were sent to Global Health Ministries and she is still at it. Aletha says she does this for therapy. We call her our "Rip, Wrapping Angel". Aletha has been a member of Trinity since 1973 and has been active in many areas of the church. Thank you Aletha for all you do!

*This was in the SNOW (Synodical Women's Organization of the ELCA) magazine this winter.*

Construction on the building will ramp up in the month of May. Expect to see work done on the foundation and some demolition of parts of the existing structure. Fencing and construction tenting will also be visible this month. Access in to the building will become more difficult as the construction pace picks up. Please use caution around the construction and call ahead if you need assistance gaining access to the building.
